

Dear Nebraska Leader,

September 17, 2012

You are invited to participate in a Women's Leadership Workshop hosted by AAUW-Nebraska on Saturday, October 13, 2012. Our AAUW-Nebraska Vision is "***Nebraska Women Reaching Their Full Potential in Their Chosen Field***". Last year, over 50 Nebraska Women Leaders gathered at Mahoney State Park where we reviewed national and local research data regarding Women in Leadership, and identified five prioritized issues. During the year, we reached out to other local organizations and also aligned our state initiatives with Vision 2020's national efforts, especially their goals of Women in Leadership, Pay Equity, and Getting Out the Vote. Please join us on October 13th where we will engage in critical conversations about Expanding Our Career Choices, Leading at all Levels, Participating in the Political Process and Valuing Personal Relationships. These are exciting times – we need all of our talents.
